Hillcrest kindergarten families delight in Valentine program

LAKE WALES – Everyone loves Valentine’s Day, especially kindergarten students who have been practicing “love songs” to sing to their parents and relatives.

Hillcrest Elementary kindergarten students planned a special night for their Valentines – a cafeteria jam-packed with adoring moms, dads, grandparents and other family members who came to see the young performers dressed in pink, red and other spiffy clothes.

“Each kindergarten class sang a song, and then the entire grade level joined together to sing several songs,” said **Lynda Norton**, the school’s Kindergarten Support teacher. Favorite numbers included “The World is a Rainbow” and “Skina Marinky Dinky Do I Love You.”

The Valentine Program for kindergarten families was sponsored by Hillcrest’s Kindergarten Support program. All four elementary schools in the Lake Wales Charter Schools system have a privately funded Kindergarten Support Program that provides additional staff and intensive instruction.
