Lake Aurora Christian Assembly, Inc.,
Host nonprofit

This is an event to allow many nonprofits to benefit from the hearts and strokes of the paddle community.

Each paddler will have the opportunity to designate his/her cause when they register. They will be expected to raise a minimum of \$200 for their cause and will be encouraged to raise even more.

All the funds raised by the paddler will go to charity with 90% going to the designated cause and 10% going to the Host Nonprofit to cover their administrative costs. Event cost will be covered by registration fees and sponsors.

Paddlers register and create your free fundraising page at

www.firstgiving.com/paddlerscarepaddlechallenge

Registration: \$35

Includes shirt, water bottle, breakfast, lunch and dinner, free personal fundraising page, and prize tickets.

Routes from 20 miles to as short as 2.5 miles.

All routes end at The West-gate River Ranch Resort.

The long route will begin at Lake Kissimmee State Park.
