Holiday Cheer Printmaking with Mollie Doctrow

Saturday, Nov. 11

9am-3:30pm

\$65 (includes all materials)

Share the holiday spirit by learning to make handmade cards, tags, bags, and prints. Working from natural and photographic resources, students will design a print, transfer it to a block, and learn carving techniques. During the second part of the workshop, students will learn the printing process, make black and white prints and explore creative options.
