FOR IMMEDIATE RELEASE

RE: Gardening Class at Lake Wales Public Library

The Lake Wales Public Library will host *Proper Pruning*, a workshop led by UF/IFAS Extension Polk County Gardening and Landscaping. The program will be in the Lake Wales Public Library's Schoenoff Meeting Room, 2 p.m., March 23.

Learn proper pruning techniques specific to Florida's weather and seasons. Pruning landscape trees and shrubs can be difficult to do properly. UF/IFAS Extension's *Proper Pruning* workshop will teach you when and how to prune common landscape plants and flowering annuals for optimum health and appearance. The instructors will also cover the right tools and techniques.

*Proper Pruning* is free; registration is not required. For information call 678-4004, or email [library@cityoflakewales.com](mailto:library@cityoflakewales.com)
