HOSPITAL RECORDS DEPARTMENT EARNS 7th AWARD

Lake Wales, FL – For the seventh time, the Health Information Management (medical records) department at Lake Wales Medical Center, has received the Jean Byers Award for Excellence in Cancer Registration. The award is bestowed by the University of Miami Leonard M. Miller School of Medicine’s Florida Cancer Data System, a statewide cancer registry.

The prestigious award is given based on the level of accordance with national standards for timeliness and completeness of data registry. The registry includes the type of cancer treated and diagnosed at the hospital.
