## FANCY NAMED EMPLOYEE OF MONTH

**Lake Wales, FL** – Takeah Fancy, LPN, was named Employee of the Month for May at Lake Wales Medical Center. Fancy, who has worked at the hospital since 2008, was recognized for the improvements she has brought to the hospital’s patient discharge process.

Here is what her co-workers said about Takeah: “This is one person who doesn’t know how to say no. She is always willing to assist patients, family members and staff in whatever is needed. There’s not one thing she wouldn’t do to help make life better for patients and her co-workers.” Since she was assigned to do patient discharge education earlier this year, the hospital’s scores in that area of the patient satisfaction survey have increased noticeably. Her contribution doesn’t stop there. “I have seen her go in and check a patient alarm and notify the nurse. If she sees anyone in need she doesn’t wait to be asked; she immediately offers her help.”

-- end --

Lake Wales Medical Center is owned in part by physicians.
