Dear Community Leader:

I am writing you concerning a sponsorship opportunity for Friendship Day 2017. I know that as a local leader, you have a desire to give back to the community, and we greatly appreciate your support.

World Friendship Day was started nearly 60 years ago. Rotary on the Ridge is looking forward to great success at this year's inaugural local Friendship Day gathering, which will be held on Sunday, Aug. 6 from 1-5 p.m. at the park on the shore of Lake Wailes.

Its success depends upon the participation of businesses, churches and other civic groups, setting up free family games, activities and giveaways. We are offering booth space to promote your business or community group while hosting a fun activity. Donations are welcome.

If your organization would like to participate in this year's event, email RotaryontheRidge@gmail.com and one of our committee members will contact you to discuss your commitment.

Rotary is an international organization dedicated to community service, goodwill and better friendships. We hope Friendship Day will become an annual event that brings our community together.

While this is a free event, we will be encouraging people to sign our Friendship Flag and make a donation to **Stirring Waters**, a therapeutic aquatic adventure experience to be built by Lake Aurora, East of Lake Wailes. Intentionally and fully inclusive of people with disabilities, Stirring Waters is a project of Removing the Barriers Initiative, a 501(c)3 charity.

Rotary on the Ridge is a new regional after-hours club, excited to be hosting Friendship Day. Thank you for your time and consideration.
