## Corporate Sponsor

---

We'd love for your company to be a part of Warner University's inaugural "Apples of Gold" Ladies Luncheon this fall at Mountain Lake. This event will promote awareness of the need to "speak into the lives of this next generation of young ladies" through "words fitly spoken" and also raise the much-needed funds to benefit young ladies who need scholarship assistance to attend college.

Our goal is for each of these students to finish their college career, distinguish themselves in their communities and continue growing the Kingdom of God here on Earth. In order to fulfill this mission, they need your help.

Please see the attached Corporate Sponsor sheet for how you can be involved, as well as all of the perks your company will receive! We anticipate having 120+ influential women in attendance for our inaugural event, plus we will be promoting your business well in advance of the luncheon. Notice that the *Golden Delicious level* is where you will have the opportunity to have a table for 8 ladies at the event!

Please be in prayer about how you can be a part, and then contact me quickly before they're all taken!
