HILL NAMED EMPLOYEE OF MONTH

Lake Wales, FL – Kim Hill, a certified medical assistant for Dr. Carolyn Pass, was awarded employee of the month for November at Lake Wales Medical Center. Kim, who has worked for the hospital since 2015, received a call from the spouse of one of Dr. Pass' patients, asking for the doctor to come be with the family while their loved one was dying. Dr. Pass was unavailable, so Kim herself went to be with the family. The family called later to thank her and tell her how much it meant for them that she was with them during their time of loss.

“This is just one example of how Kim and our other employees go above and beyond every day to take great care of our patients,” said Greg Hall, director of physician practices for the hospital.
