

SPECIAL

FOR THE MONTH OF JUNE 2018

Winco XLB-44, 44-Oz AccelMix Commercial Bar Blender

120V~60Hz, 400W, 3.5A, ETL, BPA Free, is a great way to make food preparation faster and easier. With BPA-free Tritan container, high-performance motor and durable stainless steel blades, it is a choice of professional chefs. Pulse, on/off and variable speed control provides enough comfort and flexibility in use to cope with any task at your commercial kitchen or bar station. Remove the lid any moment when blending to add more ingredients and use a tamper (comes with the blender) to push solid ingredients down to the bottom of the container. As a result, you obtain a silky-smooth mixture for smoothies!

LIST PRICE: \$152.54

SALE PRICE: \$76.27
