## *Main Street Annual Meeting*

We hear you!

This is YOUR DOWNTOWN and we are committed to giving you the opportunity to be involved in current events, as well as shaping the direction of the future of downtown Lake Wales.

We heard from many people who wanted to attend our Annual Meeting, but were committed to one or more of the many events taking place in our community that very same evening.

For this reason, we are postponing the Annual Meeting to January 24, 2019. This will also make it possible for more of our seasonal residents to attend.

Thank you for your overwhelming support!
