

Our Foundation

Before Auburndale Police Chief Nolan McLeod's untimely death in 2012 due to cancer, he shared a vision with members of the Polk County Police Chiefs Association for a charitable foundation that would provide college or police academy scholarships to the children of law enforcement officers. Chief McLeod's vision became a reality in 2014 when the Polk County Police Chiefs Charitable Foundation, Inc., was created as a 501(c)(3) charitable organization.

Throughout the past five years, the Foundation has awarded 42 scholarships totaling \$81,500 to deserving Florida college students. Thank you for your interest in helping us to increase educational opportunities through your participation in the Foundation's sporting clays event.
