EYE SPECIALISTS OF MID-FLORIDA, P.A. ANNOUNCES RIBBON CUTTING CEREMONY FOR THEIR NEWEST LOCATION IN AUBURNDALE

Auburndale, FL (August 2, 2019) Eye Specialists of Mid-Florida held a ribbon-cutting ceremony for their newest location at 202 Magnolia Avenue in Auburndale. The event was attended by doctors and staff from Eye Specialists as well as officials from the City of Auburndale and the Chamber of Commerce.

This will be the 8th location for Eye Specialists of Mid-Florida to better serve the needs of their patients in the area. Their other locations include Winter Haven, Haines City, Clermont, Lake Wales, Sebring, two Lakeland locations with an additional one opening in 2020.

The new clinic will offer routine and medical eye exams, specialty testing, and treatment of ocular diseases, routine and specialty contact lens fittings, and a full-service optical department.

William Sterling, Jr., O.D. has joined the Eye Specialists of Mid-Florida team after successfully running his private practice in the Auburndale community for the past 30 years. He will continue to see his existing patients and new patients at the Eye Specialists of Mid-Florida Auburndale location. Terrance Hafner, O.D. who currently sees patients in the Winter Haven location will start seeing new and existing patients part-time at the Auburndale location. Dr. Sterling and Dr. Hafner are excited to be at this new location.

“We are very happy to be part of the Auburndale community. We have incorporated some of the city’s history into our decor and look forward to serving the area.” – Dr. David Loewy, Managing Partner.

For more information about the newest location or to schedule an appointment at the newest location, please call 800-282-3937 or visit www.eyesfl.com.

ABOUT EYE SPECIALISTS OF MID-FLORIDA

Eye Specialists of Mid-Florida is a multi-specialty practice that has provided outstanding eye care in Central Florida for over 50 years. With eight locations in Polk, Highlands and Lake Counties, our five ophthalmologists and 11 optometrists provide eye exams, diagnoses and treatment of eye disease, LASIK, eyelid lifts and other procedures. We offer a full-service optical department at every location. Eye Specialists’ mission is to provide the highest quality and most technologically advanced eye care with compassion and integrity.
