The GFWC Lake Wales Junior Woman's Club is a non-profit volunteer organization comprised of young women in Lake Wales, FL. Through our volunteer service, we fulfill needs in our community. Our mission is to elevate people, enrich lives and connect our community by educating, outreaching and volunteering.

Membership is open to all young women who agree with the objectives of the club. There are no service hour requirements, although we do encourage as much participation as the individual's lifestyle will allow. We meet every second Tuesday of the month at 6:00 PM at the GFWC Woman's Club of Lake Wales, 275 E Park Ave, downtown Lake Wales

On April 14th, we join Shannon Bailey, our GFWC Florida Junior Director, as she shares her experiences as Junior Director and explains the goals and projects of the Junior Woman's Club. Enjoy food, drink, and fellowship during this unique opportunity to make a difference in your life and your community!
