FOR IMMEDIATE RELEASE

Summer 2020 priority and dual enrollment registration begins at Polk State College

Monday, April 6, 2020 — Enrollment for the Summer 2020 Semester at Polk State College begins today, April 6, with priority and dual enrollment registration. Enrollment will open for all students on April 13. Due to the COVID-19 public health emergency, the semester will be fully online. The semester will start on May 6.

Priority registration is reserved for students who have completed at least 30 credits. Students currently enrolled at Polk State may register for classes through their [PASSPORT](#) accounts. Dual enrollment students should email DEregistration@polk.edu for assistance with registration.

Prospective students must submit a [free online application](#) to the College at www.polk.edu. More information about the application, orientation, and registration processes are available online at www.polk.edu/admission-aid/admissionsteps.

Although the College's campuses and centers remain closed to students and prospective students until further notice due to COVID-19, advisors are ready to remotely serve them with setting their academic goals, accessing information and services, and making responsible decisions consistent with their goals and degree requirements. Students and prospective students may email registrar@polk.edu or call 863.297.1000 for assistance.

Students are also encouraged to begin the financial aid process as soon as possible. The first step is to complete the Free Application for Federal Student Aid (FAFSA). Students who need assistance may email financialaid@polk.edu, call 863.297.1004, or view the College's [online FAFSA tutorial](#) at www.polk.edu/admission-aid/financial-aid.

Polk State continues to maintain full operations remotely with faculty and staff prepared to assist students by email, phone, and the College's learning management system, Canvas. The College understands that some students may experience barriers to accessing the online learning environment and continues to provide resources on www.polk.edu.

Throughout the application, registration, and financial aid processes, students are encouraged to monitor their Polk State emails and accounts for important updates.

Students should also visit www.polk.edu and the College's social media for the latest news and additional resources as they become available.

About Polk State College

Located in Winter Haven, Florida, and established in 1964, Polk State College is a multi-campus institution serving more than 16,000 students with Bachelor of Applied Science, Bachelor of Science, Associate in Arts, and Associate in Science degrees, as well as a wide range of certificate and workforce training options. The College also operates three charter high schools.

Polk State's advantages include small class sizes; hands-on learning; dedicated faculty; day and night classes; online options; affordable tuition; excellent financial aid; and a diverse community and vibrant student life, including fine arts opportunities, clubs, and intercollegiate athletics.
